GENERAL INFORMATION

The 18th annual international conference on Hands-on Science, HSCI2021, will be held online, from July 19th to 23th, 2021. This year the main motto of the conference is:

"Hands-on Science Education Activities – Challenges and Opportunities of Distant and Online Teaching and Learning"

The Conference will provide the ideal opportunity for presentation of work and in the widest range of perspectives related to Science Education. The Hands-on Science Network is open to all views and approaches on Science Education. However, we advocate an active learning of Sciences through an enlarged use of hands-on experiments in the classroom. The aim of the Conference is to promote friendly and broad exchange of experiences on good practices, syllabus and policy matters, social factors and the learning of science, and other issues related to Science Education and its development.

Proposals are invited for oral or poster presentations, workshops and group discussions, hands-on experiments demonstration sessions, Science Fair booths and exhibitions or science shows/performances.

CONFERENCE TOPICS

The HSCI'2021 Conference will cover the largest variety of topics relevant to Science Education and all fields of Science and Technology: Physics, Chemistry, Geography, Biology, Life Sciences, Geology, Zoology, Botanic, Ecology, Archaeology, Astrophysics, Mathematics, Robotics, Computer Science, Sociology, Psychology, Health Sciences, etc.
